Pathways to New Zealand

...the immigration professionals

PathwaysNZ is the largest and most successful professional provider of immigration and associated visa services in Hamilton City and the greater Waikato Region. Over 5,000 new New Zealanders, and international students, from over 40 countries have used the services provided by *PathwaysNZ* to successfully realise their goal to live, study, work or undertake business in New Zealand. In addition *PathwaysNZ* clients under the business immigration categories have, to date, invested over NZ\$35 million in New Zealand. *PathwaysNZ* commenced operations in 1992 and originally traded as International Investment & Immigration Ltd from the KPMG Building before moving in 1995 to its present location on the 5th Floor of the Inland Revenue Dept. Building in the Hamilton CBD. In 2002 the business merged with its associate, International Student Services (NZ) Ltd, and the businesses now trade together as *Pathways to New Zealand Ltd*.

PathwaysNZ can assist with a wide variety of immigration services including permanent residence under the Skilled Migrant, Family, Business, Investor or Work to Residence categories, Long Term Business Visas, work/student/visitor permit & visa applications and applications for New Zealand citizenship. Recent growth areas also include overseas worker recruitment and working holiday visas and other overseas visas for New Zealanders to study or work overseas.

PathwaysNZ success is attributable to the friendly, experienced and qualified professionals employed within the organisation and their strong and personal desire to help clients realise their goals of living in New Zealand. These professionals often have their own experiences to draw upon having come to New Zealand originally from the United Kingdom, Malaysia, USA and China.

As a consequence of the international nature of its business *PathwaysNZ* has, over the past decade, developed a wide and diverse network of personal, business and Government clients, investors and contacts throughout the world. *PathwaysNZ* welcomes any enquiries regarding general or specific offshore requirements or from people seeking native language speakers for translation/interpreting or research requirements.

PathwaysNZ has been recognised with an export commendation award in 2001 and was a Highly Recommended finalist in the 2003 Waikato Business awards. The company has also been a member of the New Zealand Association of Migration & Investment since 1992.
